

## Françoise

Jackie DeShannon

Mondrian lines  
Sleeping with time  
Ever so kind  
Françoise, I'm thinking of you

Mademoiselle  
A friend of Marcel's  
Is wishing you well  
Françoise, I'm thinking of you

Je suis ici  
Down by the sea  
Stopping for tea  
Françoise, I'm thinking of you

Do, do you love someone?  
Then do what must be done  
There, there isn't anyone  
Who can replace you  
No one can erase you  
Françoise, I'm thinking of you

Gare Saint-Lazare  
Was not quite bizarre  
Out with the stars  
Françoise, I'm thinking of you

Louis Le Nain  
Was never the saint  
He loved in vain  
Françoise, I'm thinking of you

Do, do you love someone?  
Then do what must be done  
There, there isn't anyone  
Who can replace you  
No one can erase you  
Françoise, I'm thinking of you

Every day, hey, hey, hey  
Françoise, I'm thinking of you  
Oh, oh, ho, oh, oh, Françoise
