

How Wrong I Was

Jackie DeShannon

I thought your love of me
Would always be true
Oh, how wrong I was
How wrong I was about you

I thought you'd never
Please someone new
Oh, how wrong I was
How wrong I was about you

You never seemed the kind
Who'd ever break my heart
I never dreamed I'd find you lied
Right from the start

I was so happy
Now, I'm so blue
Oh, how wrong I was
How wrong I was about you

(You never seemed the kind
Who'd ever break my heart)
I never dreamed I'd find you lied
Right from the start

I'd was so happy
Now, I'm so blue
Oh, how wrong I was
How wrong I was about you

Never a warning
Never a clue
Oh, how wrong I was
How wrong I was
How wrong I was about you
