

I Don't Think I Can Wait

Jackie DeShannon

I'd like to tell you
Just how good it is
To be with one who understands
The many ways to give
It only took that one night
To know what I should do
No one had to tell me
I would want to stay with you

And I don't think I can wait
Please don't hesitate
I don't think I can wait
Another minute for your love

I knew it the moment
You looked in my eyes
I could see myself
Wanting to be part of your life
I'm trustin' my feelings
Without askin' why
When you turned to say
Let's steal away to paradise

And I don't think I can wait
Please don't hesitate
I don't think I can wait
Another minute for your love

For now is the right time
To give me some peace of mind
I've needed you so long
And soon we will be alone

And I don't think I can wait
Please don't hesitate
I don't think I can wait
Another minute for your love.
