

I Won't Turn You Down

Jackie DeShannon

Why did you call me so late
To ask me out on a date?
I'm the last girl you'd call in town
Did the rest turn you down, down, down?
Did the rest turn you down?

Whoa, you never looked my way at all
It's kinda funny that you'd call
Where are the girls you used to take 'round?
Did they all turn you down, down, down?
Did they all turn you down?

Ah-ha, I know I'm not very pretty
Ah, you're such a handsome guy
I can't believe you really called me
But I'm not gonna worry 'cause I

Yes, I'm so tired of stayin' home
It's no fun bein' all alone
I need someone to take me 'round
So, I won't turn you down, down, down
Oh, I won't turn you down

Ah, yeah-yeah, I'm so tired of stayin' home
It's no fun bein' all alone
I need someone to take me 'round
So, I won't turn you down, down, down
No, I won't turn you down, down, down
I will not turn you down, down, down
No, I won't, I won't turn you down, down, down
Tellin' you I won't turn you down, down
Come on over, I won't turn you down, down, down
