

It's Love Baby (24 Hours A Day)

Jackie DeShannon

Baby, I don't know why I love you
I don't know why I feel this way
Baby, I don't know why I love you
I don't know why I feel this way
That's why I'm thinking 'bout you baby
24 hours every day

Baby, my days and nights are lonely
I need your lovin' everyday
Baby, my days and nights are lonely
I need your lovin' everyday...oh, yeah
That's why I'm thinking 'bout you baby
24 hours every day
