

# Makes You Beautiful

Jackie DeShannon

A smilin' face  
And a turned around head  
A friendly hello just say it  
Makes you beautiful

A warm touching hand  
And a little bit  
Of understanding means I do  
Makes you beautiful

La-da-da, la-da-da  
Makes you beautiful too

A smilin' face  
And a turned around head  
A friendly hello just say it  
Makes you beautiful

La-da-da  
Makes you beautiful too

A smilin' face  
And a turned around head  
A friendly hello just say it  
Makes you beautiful

Warm touching hand  
And a little bit  
Of understanding means I do  
Makes you beautiful

La-da-da, la-da-da-da  
La-da-da

Smilin' face  
And a turned around head  
A friendly hello just say it  
Makes you beautiful

A warm touching hand  
La-da-da-da  
Understanding means I do  
Makes you beautiful

La-da-da  
Makes me beautiful too

Smilin' face  
A turned around head  
A friendly hello just say it  
Makes you beautiful

Warm touching hand  
And a little bit  
Understanding ...
