

# Only Love Can Break Your Heart

Jackie DeShannon

When you were young and on your own  
How did it feel to be alone

I was always thinking of games that I was playing  
Tryin' to make the best of my time

But only love can break your heart  
Try to be sure right from the start

Yes, only love can break your heart  
And if your world should fall apart

I have a friend I've never seen  
He hides his head inside of a dream  
Someone should call him and see if he can come out  
Try to lose the down that he's found

But only love can break your heart  
Try to be sure right from the start  
Yes, only love can break your heart  
If your world should fall apart

I have a friend I've never seen  
He hides his head inside of a dream

But only love can break your heart  
Try to be sure right from the start  
Yes, only love can break your heart  
What if your world should fall apart  
fall apart
