

## So Warm

Jackie DeShannon

So warm, so full of glee  
Oh, baby, what you do to me?  
Darlin', this is how I feel

Oh baby, when you touch my hand  
Don't you know, can't you understand?  
Darlin', this is how I feel

I've been searchin' for the longest time  
Cannot find no peace of mind  
But you came into my life  
No more trouble, honey, no more strife

So warm, so full of glee  
Oh, baby, what you do to me?  
Darlin', this is how I feel

So warm, uh-huh-huh, right now when I'm  
So warm, oh yeah  
So warm, uh-huh-uh  
Darlin', this is how I feel
