

Sweet Inspiration

Jackie DeShannon

I need your sweet inspiration
I need you here on my mind
Every hour of the day
Without your sweet
Sweet inspiration
The lonely hours of the night
Just don't go my way

A woman in love
Needs sweet inspiration
And honey that's all I ask
That's all I ask from you
I've got to have your sweet
Your sweet, sweet inspiration
You know there's just ain't no tellin'
What a satisfied woman might do

When you call me baby, baby
It's such a sweet inspiration
When you call me darlin, darlin'
Sets my heart a-skatin'
And if I'm out in the rain, baby
In a bad situation
I just reach back in my mind
And there I found your
Sweet, sweet inspiration

Sweet inspiration
Woah, what a power
Honey I've got the power
Every hour of the day
All I need is your sweet
All of your sweet inspiration
Whoo, to go on livin'
And keep on givin' this way

Oh, I need your sweet
Your sweet, sweet inspiration
I need you here on my mind
Every hour of the day
And without that sweet
Oh, so sweet inspiration ...
