

Till You Say You'll Be Mine

Jackie DeShannon

I-I don't care if the sky is pretty blue
I-I don't care if the sun comes shinin' through
It really doesn't matter, baby
My heart keeps cryin'
Oh, life means nothing 'til you say you'll be mine

Until you say you'll give all your love to me
Ain't nothing in this world that can make me happy
I just got to have you for my own
My heart keeps cryin'
Oh, life means nothing 'til you say you'll be mine

Every night I pray that we can
Someday walk hand-in-hand
Down the aisle
But I guess I'll have to wait and see
All this waitin' is killin' me
Come on, child

I don't care if I had all the money in the world
It just wouldn't matter if I wasn't your girl
Baby, there's only one thing
That will stop my heart from cryin'
Oh, the day you tell me that you'll be mine

I'll be so happy
The day you tell me that you'll be mine
