

# Tonight You're Doin' It Right

Jackie DeShannon

You're singin' those old lullabys  
I'm watchin' a star on the rise

And I have to tell you  
I just have to tell you  
Tonight you're doin' it right  
Ooh tonight, you're doin' it right

It's your love I need once again  
I'm under a spell that won't end

And I have to tell you  
I just have to tell you  
Tonight you're doin' it right  
Baby tonight, you're doin' it right

As I lay down by your side  
The day is yet to come  
It's so good to get close to you  
To be part of someone

You're showin' the sun how to shine  
And makin' sweet dreams ease my mind

And I have to tell you, hey  
I just have to tell you  
Tonight you're doin' it right  
Baby tonight, tonight you're doin' it right

Doin' it right, tonight, tonight  
It's so right, tonight, tonight

Doin' it right, tonight  
It's so right, tonight ...
