

## Too Close

Jackie DeShannon

I'm too close  
To my journey's end  
I said I'm too close  
Oh, to turn back into a world of sin  
And I wouldn't take nothin'  
For my journey, journey right now  
Lord, don't you know  
I just got to make it to Heaven, oh ho somehow?

I'm too close  
Almost reached my goal, hallelujah  
I'm too close  
To finally savin' my soul  
Well, I'm too close, hallelujah  
To turn around, I can't turn around  
Promise the Lord  
And I can't turn around

I'm too close  
I can almost see my God's face  
Yeah, well I'm too close  
I'll tell the world, I'll tell the world  
I love this race  
Well, I'm so close  
Because He's holdin' to my hand  
And I know, children I know He will lead me to the land

Well, well, well I'm too close  
I wanna see my own mother, my own mother again hallelujah  
Too close  
To be shakin' hands with all, all of my friends  
I'm too-oo close  
Hey, hey, hey, Heaven  
I can't turn around  
Promise the Lord  
And I can't turn around
