

You Are The Real Thing

Jackie DeShannon

There's no more waiting, anticipating
You are the real thing
Your sweet conversation, consideration
You are the real thing

When I feel like crying, you won't stop trying
To make me smile again
You bring me flowers and talk for hours
To change the mood I'm in

Counterfeit money
That's imitation, honey
It's just not for me
You're my cup of tea

You are the real thing
You are the real thing

This feeling I'm under, I don't have to wonder
You are the real thing
You make life exciting as a poet's writing
You are the real thing

You got it over
A four-leaf clover
You're my lucky charm
My place is in your arms

You are the real thing
You know you are
You are the real thing
My lucky star
You are the real thing
Know you are
You are the real thing
My lucky star
You are the real thing
