

You're The Reason I'm In Love

Jackie DeShannon

You're the reason I'm in love
You're my shinin' star above
You're my every dream come true
That's why I love you like I do

Adam shared his love with Eve
Some may doubt but I believe
You're my every dream come true
That's why I love you like I do

You're the reason I'm in love
You're my shinin' star above
You're my every dream come true
That's why I love you like I do

Adam shared his love with Eve
Some may doubt but I believe
You're my every dream come true
That's why I love you like I do

Adam shared his love with Eve
Some may doubt but I believe
You're my every dream come true
That's why I love you like I do

(Aw, thank you, Country Music Boys
I sure do like that song
It sure is pretty, ain't it?
Yeah, I really like it)
