

Elastic Heart

Jackie Thomas

And another one bites the dust
Oh why can I not conquer love?
And I might have thought that we were one
Wanted to fight this war without weapons

And I wanted it, I wanted it bad
But there were so many red flags
Now another one bites the dust
Yeah, let's be clear, I'll trust no one

You did not break me
I'm still fighting for peace

Well, I've got thick skin and an elastic heart
But your blade - it might be too sharp
I'm like a rubber band until you pull too hard
Yeah, I may snap and I move fast
But you won't see me fall apart
'Cause I've got an elastic heart

I've got an elastic heart
Yeah, I've got an elastic heart

And I will stay up through the night
And let's be clear, won't close my eyes
And I know that I can survive
I'll walk through fire to save my life

And I want it, I want my life so bad
I'm doing everything I can
Then another one bites the dust
It's hard to lose a chosen one

You did not break me
(You did not break me, no)
I'm still fighting for peace

Well, I've got thick skin and an elastic heart
But your blade - it might be too sharp
I'm like a rubber band until you pull too hard
Yeah, I may snap and I move fast
But you won't see me fall apart
'Cause I've got an elastic heart

Well, I've got thick skin and an elastic heart
But your blade - it might be too sharp
I'm like a rubber band until you pull too hard
Yeah, I may snap and I move fast
But you won't see me fall apart
'Cause I've got an elastic heart

Well, I've got thick skin and an elastic heart
But your blade - it might be too sharp
I'm like a rubber band until you pull too hard
Yeah, I may snap and I move fast
But you won't see me fall apart
'Cause I've got an elastic heart

I've got an elastic heart
