

# Yeah! Yeah! Yeah!

Jackie Wilson

Ooh, yeah, yeah (Hey, hey, hey, hey)

Well, I went out the other night  
Stopped at a hop by chance  
Picked out a girl who looked just right  
And I asked her for a dance

Man, she was a-wigglin' and a-wobblin' (Yeah, yeah)  
Movin' and a-groovin' (Yeah, yeah)  
She was hunchin' and a-pushin' (Yeah, yeah)  
Had me in a fever (Yeah, yeah)

I said, a-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah  
Yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah

Well, she had a pair of slim jims on  
Her sweater was a vulcan knit  
Face was cute and her hair was long  
And my heart said "This is it"

Man, she was a-wigglin' and a-wobblin' (Yeah, yeah)  
Movin' and a-groovin' (Yeah, yeah)  
She was hunchin' and a-pushin' (Yeah, yeah)  
Had me in a fever (Yeah, yeah)

I said, a-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah  
Yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah

Well, my tongue got dry and my eyes popped out  
My heart went around and 'round  
Watching that sweet thing bring it up  
And watching her break it down

Man, she was a-wigglin' and a-wobblin' (Yeah, yeah)  
Movin' and a-groovin' (Yeah, yeah)  
She was hunchin' and a-pushin' (Yeah, yeah)  
Had me in a fever (Yeah, yeah)

I said, a-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah  
Yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah

Yeah  
Ooh, yeah, yeah  
Ooh, yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Yeah, yeah

I said, a-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah  
Yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah

Well, my tongue got dry and my eyes popped out  
My head went around and 'round  
Watching that sweet thing move about  
And seeing her break it down

Man, she was a-wigglin' and a-wobblin' (Yeah, yeah)  
Movin' and a-groovin' (Yeah, yeah)  
She was hunchin' and a-pushin' (Yeah, yeah)  
Had me in a fever (Yeah, yeah)

I said, a-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah  
Yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah-yeah

Yeah, she was a-wigglin' and a-wobblin' (Ooh, yeah, yeah)  
She was a-movin' and a-groovin'  
She was a-hunchin' and a-pushin' (Ooh, yeah, yeah)  
Gonna have me in a fever (Yeah, yeah)  
Hey, baby, ah, work it on out  
Yeah, talk to me, baby
