

Can't Get Away from My Love

Jackson C. Frank

You can leave in the mornin'
Without any warnin'
But you'll never get away from my lovin'
You'll never get away from my love

Any time babe, come over
Put your head on my shoulder
Tell me what you think of my lovin'
Tell me what you think of my love

Now you know I wouldn't bother
With you if any other
Would want to get a taste of my lovin'
Want to get a taste of my love

Well I ain't got much of value
I know I wants to have you
'Cause I can't get enough of your lovin'
I can't get enough of your love

You can leave in the mornin'
Without any warnin'
Yeah you'll never get away from my lovin'
You'll never get away from my love
