

Fearless (The Echo)

Jackson Dean

I believe in ghosts, most people don't
I swear it on my grandpa's grave
I've seen 'em in the trees, I've seen 'em in my dreams
And I still can't stay away
My heart wants to wander here and over yonder
I let you come along and take it
And maybe you're the right one, the right by my side one
Or maybe you're the one that's gonna break it

'Cause I'm fearless, I'll jump off the ledges
Burn all the bridges, walk on the edges
I'm fearless, I don't mind the shadows
Take all the arrows, ride in the echoes
And I don't mind the night, I don't mind the fight even if I lose
I got thick skin, I'll dive in, I'm fearless
Except when it comes to you

So, baby, here I am in the palm of your hand
You got me where you want and you know it
You're lookin' right at me, you're holdin' all the keys
And I don't even care where we're goin'

'Cause I'm fearless, I'll jump off the ledges
Burn all the bridges, walk on the edges
I'm fearless, I don't mind the shadows
Take all the arrows, ride in the echoes
And I don't mind the night, I don't mind the fight even if I lose
I got thick skin, I'll dive in, I'm fearless
Except when it comes to you

I can be a loner, a dog without a home
Or wild like the wild things are
I don't scare easy as long as you keep me
Just square in the middle of your arms

'Cause I'm fearless, I'll jump off the ledges
Burn all the bridges, walk on the edges
I'm fearless, I don't mind the shadows
Take all the arrows, ride in the echoes
And I don't mind the night, I don't mind the fight even if I lose
I got thick skin, I'll dive in, I'm fearless
Except when it comes to you
When it comes to you
