

Train

Jackson Dean

You got a heart like Santa Fe line headed west
A heart-breaking engine burning down deep in your chest
I've been left and I've been used
I've been stepped on, I've been bruised
There ain't a train around that can hit as hard as you

Singing, "Ooh, ooh, ooh. Ooh, ooh, ooh. Ooh, ooh, ooh. Ooh, ooh
, ooh."

Felt so warm inside your graffiti dress
Never felt something as cold as the day you left
I wouldn't trade you for a penthouse view
You're a real bone shaker. It's true
There ain't a train around that can hit as hard as you

Singing, "Ooh, ooh, ooh. Ooh, ooh, ooh. Ooh, ooh, ooh. Ooh, ooh
, ooh."

I'm still out here chasing these parallels
Tryna find you in-between these cold steel rails
If you're looking for me, I'll be singing these Santa Fe blues
Still ain't a train around that can hit as hard as you

Singing, "Ooh, ooh, ooh. Ooh, ooh, ooh. Ooh, ooh, ooh. Ooh, ooh
, ooh."
