

Dapper Dan

Michael Jackson

Do it do it, he can do it, watch him do it
I got rhythm and a whole lot of soul
I can dance, I can shake it baby
I'm just a little country boy
Harmonica in my hand
I got soulful rhythm in me

I'm a get down dancing man,
Sha la la la ohh

My name is Dapper Dan
Sha la la la ohh
I'm a dancin man

I'm gonna king of the discoteque
That's where I can be found (huh)
Master of the ryhtm beat ohh

I've got the fastest feet around
Sha la la la boom
My name is Dapper Dan
Sha la la la mmmmm
I'm a dancin man

Do it, do it,
Hey Get out on the floor
Do it do it
Dance what ya want to
Do it do it
Lets dance
Dance with me

I like the way he shakes it
I like the way he shakes it
I like the way he shakes it
Oh he's sexy

Do it do it
Let me show

I got rhythm and a whole lotta soul
I can dance
I got music and I know how to use
I can sing

Do it, do it,
Hey Get out on the floor
Do it do it
Dance what ya want to

I like the way he shakes it
