Darling Dear

Michael Jackson

Jackson 5

The game of love
Is such a beautiful game
If you? ve got time, little girl
I? d like to explain
All the do? s and don? ts
All the wills and won? ts

So Lend an ear, darling dear
(Sweet darling dear)
Do be sincere
And true love will appear
Don? t be shy
Or love will pass you by
If you will
My heart you may steal
If you don? t
The game of love you lose alone

(Darling dear)

Do be sincere
And true love will appear
Don? t be shy
Or love will pass you by
If you will
My heart you may steal
If you don? t
The game of love you lose alone

(First)
First I? ll place my arms
So gently around you
(Then)
Then whisper darling I? m so glad I found you

Then your lips unwind
A simple touch wouldn? t mind
A kiss will stay, darling dear
(Sweet darling)
Darling, darling dear, yeah
(Sweet darling dear)
Darling dear
(Sweet darling dear)
Darling dear
