

## Pepsi New Generation

Michael Jackson

You're a whole new generation  
You're dancin' through the day  
You're grabbin' for the magic on the run

You're a whole new generation  
You're lovin' what you do  
Put a Pepsi in the motion  
The choice is up to you, hey...

You're the Pepsi generation  
Guzzle down and  
Taste the thrill of the day  
And feel the Pepsi way  
Taste the thrill of the day  
And feel the Pepsi way

You're a whole new generation  
You're a whole new generation  
You're a whole new generation  
You're a whole new generation
