

# Xscape

Michael Jackson

Dark Charm  
Xscape, Xscape, Xscape

Everywhere I turn, no matter where I look  
The system's in control, it's all ran by the book  
I got to get away so I can free my mind  
Xscape, is what I need  
From the electric eyes

No matter where I am I see my face around  
They been lied on my name  
Then put them town to town  
Don't have a place to run but there's no need to hide  
I got to find a place, but I won't hide away

Xscape, got to get away from the system rules in the world today  
Xscape, the pressure that I face from relationship has to go away  
Xscape, the man with the pen that writes the lies that has no end  
Xscape, I do what I wanna 'cause I gotta please nobody but me  
Xscape

I tried to share my life with someone I could love  
But games and money is all she ever thought of  
How could that be my fault when she gambled and lost?  
I'm tired of silly games, it's time to make a change

Why is it I can't do whatever I want to?  
When it's my personal life and I don't live for you  
So don't you try to tell me what is right for me  
You be concerned about you, I can do what I want to

Xscape, I got to-gotta get away from the system rules in the world today  
I gotta get away  
Xscape, the pressure that I face from relationship has to go away  
Don't get so naive  
Xscape, the man with the pen that writes the lies that has no end  
I gotta get away  
Xscape, I do what I want 'cause I gotta face nobody but me  
There's no way

Xscape, got to get away from the system rules in the world today  
Don't get try it  
Xscape, the pressure that I face from relationship has to go away  
Pressure that I'm facing every day  
Xscape, the man with the pen that writes the lies that has no end  
Come on now  
Xscape, I do what I want 'cause I gotta face nobody but me  
Come on now  
Xscape

Where did I go  
This problem world won't bother me  
This problem world won't worry me no more

Xscape, got to get away from the system rules in the world today  
I will fly away  
Xscape, the pressure that I face from relationship has to go away

Pressure that I'm facing  
Xscape, the man with the pen that writes the lies that has no end  
Writes a lot of lies  
Xscape, I do what I want 'cause I gotta face nobody but me  
Xscape ain't good. I'll do just what I wanna

Xscape, I got to get away from the system rules in the world today  
Don't wait  
Xscape, the pressure that I face from relationship has to go away  
I got to get away  
Xscape, the man with the pen that writes the lies that has no end  
The man with the pen  
Xscape, I do what I want 'cause I gotta face nobody but me  
Do you want? I gotta be my

Xscape, got to get away (I gotta get away)  
I gotta be my  
Xscape, the pressure that I face from relationships has to go away  
(Take it no more!)  
Xscape, the man with the pen  
I can't take this garbage here no more  
Xscape, I do what I want 'cause I gotta face nobody but me  
'Cause you're a liar

Xscape, Xscape
