

# Come Alive

Jackson Wang

Ooh-ooh, ooh-ooh, ooh, ooh, ooh  
Ooh-ooh, ooh-ooh, ooh-ooh  
Ooh, ooh, ooh, ooh-ooh, ooh-ooh, ooh-ooh

The walls are falling again  
I hear you calling my name  
I want you  
You're the match and the flame  
Oxygen to the brain (Yeah)  
I want you

You already know  
The way you turn it on, you're so electrical  
Come on

I come alive  
You start me up a million times  
And I'm terrified  
That you could leave me crying

Ooh, ooh, ooh, ooh-ooh, ooh-ooh, ooh-ooh  
Ooh, ooh, ooh, ooh-ooh, ooh-ooh, ooh-ooh  
Ooh, ooh, ooh, ooh-ooh, ooh-ooh, ooh-ooh  
Ooh, ooh, ooh, ooh-ooh, ooh-ooh, ooh-ooh

Look, I need you around  
Got my head in the clouds  
Come over  
It's a quarter past two  
I'm staying up for you  
Just to hold ya

You already know  
The way you turn it on you're so electrical  
Come on

I come alive  
You start me up a million times  
And I'm terrified  
That you could leave me cryin'

Ooh, ooh, ooh, ooh-ooh, ooh-ooh, ooh-ooh  
Ooh, ooh, ooh, ooh-ooh, ooh-ooh, ooh-ooh  
Ooh, ooh, ooh, ooh-ooh, ooh-ooh, ooh-ooh  
Ooh, ooh, ooh, ooh-ooh, ooh-ooh, ooh-ooh
