

Everything

Jackson Wang

I know it all but I don't know me
I'm falling down
Who's there to catch me?
To catch me

For a second could you hold me
I wish someone would've told me
That this shit could get lonely
So lonely

What I'd lose
For something true
For something new
What I'd do
To feel alive
To pull me through

I'd give everything I have to feel a high
Ease my mind
My mind

Caught up in a moment
Can't help feelin' hopeless
Can't help that I chose this
Four walls and they're closing in

For a second could you hold me
I wish someone would've told me
That this shit could get lonely
So lonely

What I'd lose
For something true
For something new
What I'd do
To feel alive
To pull me through

I'd give everything I have to feel a high
Ease my mind
My mind

I wish I could, I wish I could, I wish I could
Find peace
In my mind where the doubt and the pain intertwine
I don't know if the life that I'm living is mine

I wish I could, I wish I could, I wish I could
Find me
When the curtains close at the end of the night
And the noise fades away
And I'm still all alone that's the price

I'd give everything I have to feel a high
Ease my mind
My mind

I'd give everything I have to feel alive
Guess I tried
I tried
