We made it great wall 2007, yeah
We made it fendi jacket on my shoulder balling through, yeah
Made it rome fendi building with my flip flop, yeah
Call me fendiman
Welcome to my fendi land
I got all them diamonds inside my ambition
No boundary, no limit, no restriction
I am a dreamer, dream big like the universe
Be the leader, be the knight low key yeah!
Aye days can be so dry, life roller coaster ride
Yeah what kept me alive?
Ambition by my side, don't call me savage cuz' I made it happen when you don't
Chances come and go, they got no patience, no, they don't
Team Wang, label what I made
You ain't ready we gon' stay
You are you, I am me
No need comparison man, staying hundred 24/7
Four seasons, man
History in the making, what we seeing now, yeah

Got that fendi on my back, cuz' they like it raw
Feel the vibe, people coming back and ask for more
Got that fendi on my back, cuz' they like it raw
Feel the vibe, people coming back and ask for more
Got that fendi on my back, cuz' they like it raw
Feel the vibe, people coming back and ask for more
