

# Made Me a Man

Jackson Wang

I learned how to run before I could walk  
They silenced my voice before I could talk  
Was chasin' the highs but I still missed the mark  
But you were the light, you were the light when I was lost in the dark

I told myself enough is enough  
Tired of livin' life for the rush  
It's all been a little too much

But you made me a man  
Ooo, ooo  
You made me a man  
Ooo, ooo  
You made me a man  
You made me a man  
You made me a man

Take off the past  
There's no going back  
Take off the mask  
It ain't gonna last  
Like a mirage I thought it was magic  
Thought it was magic

I told myself enough is enough  
Tired of livin' life for the rush  
It's all been a little too much

But you made me a man  
Ooo, ooo  
You made me a man  
Ooo, ooo  
You made me a man  
You made me a man

Take off the past  
Take off the mask  
Live the magic
