

# Okay

Jackson Wang

I'm blazing up all night oh  
□□□□□□ □□□□□□  
I'll be okay  
□□□□□□□□□□□□  
I should let it go down  
□□□□□□  
You dont have to go far away Okay  
□□□□□□

I told myself that I'll be Okay  
□□□□□□□□□□  
All night to sunshine  
□□□□  
I'm all my own  
□□□□□□  
I'm feeling good right now  
I'm feeling good right now (good right now)  
I'm feeling good right now  
I'm feeling good right now (skrt skrt)  
I'm feeling good right now  
I'm feeling good right now (I feel good I feel good)  
I'm feeling good right now  
I'm feeling good right now (good right now)

Man, my vision blurry  
I know you, although mine's unger  
Me captain, you are my ferry  
Now sailing all the longer  
My life is blind folded  
Locked up in your shadows  
Yo, live with me cropped out at the photos  
Think I dont know  
Girl, why you gotta be like that  
I'm fine, im fine, im fine  
I tryna get you back  
Do what it takes  
But don't turn your back on me, on me  
Alright, alright  
Told myself that I'll be ok  
Dont worry I'm feeling good right now  
I'm feeling good right now

I told myself that I'll be Okay  
□□□□□□□□□□  
All night to sunshine  
□□□□  
I'm all my own  
□□□□□□  
I'm feeling good right now  
I'm feeling good right now (good right now)  
I'm feeling good right now  
I'm feeling good right now (skrt skrt)  
I'm feeling good right now  
I'm feeling good right now (I feel good I feel good)  
I'm feeling good right now  
I'm feeling good right now (good right now)
