

# Walking

Jackson Wang

Woah, oh  
Woah, oh  
Woah, oh  
Yeah

What it's gon' take? (Take)  
What it's gon' take to make you shake your worries away (Shake)  
I'm finally seeing you face to face (Face, hey)  
It's your beauty girl, plus your frame (Ooh, ooh)

You got what I want, I see you walking away  
This feels too real, I hope we could be the same  
Back and forth but you won't get nowhere  
I just want to relive this over  
I need you to know, I need you to know  
In my mind you don't ever let go  
So bright, baby, never turn the lights off  
I'll be there to catch you if you fall  
If we matter at all (Yeah)

What it's gon' take? (Take)  
What it's gon' take to make you shake your worries away (Shake)  
I'm finally seeing you face to face (Face, hey)  
It's your beauty girl, plus your frame (Ooh, ooh)

And I can't wait (Wait)  
In a lil' teeny 'kini shit 'cause she love to sunbathe (Bathe)  
Usually I don't even trip but I can't see you walking away (Way)  
She don't even know how I do all this shit in one day (Ooh)

I got the moves here  
You got the juice here  
We can get loose and go wild, wild, wild  
Playing for keeps, yeah  
Don't want to waste time  
Hop in with me, take a ride, ride, ride  
Swerving in Phantoms, oh yeah (Oh yeah)  
She said I look handsome, oh yeah (Oh, oh yeah)  
Jump on the jet, we can talk when we land  
Baby know I got her in the palm of my hands now  
Down to cut all ties, baby, you live life  
Do this in a new town, baby, I don't mind  
Do this like a young Skywalker ('Walker)  
Baby, you're a real smooth talker, (Jackson)

What it's gon' take? (Take)  
What it's gon' take to make you shake your worries away (Shake)  
I'm finally seeing you face to face (Face, hey)  
It's your beauty girl, plus your frame (Ooh, ooh)
