

# She's Not a Drug

Jackyl

Shake it, shake it, shiny go-go boots and lots of hiney shaking  
Shake it, shake it, shiny go-go boots and lots of hiney shaking  
Shake it now, she like to shake it, shake it, back it up, she back it up  
It's looking like she's gonna break it  
Hey now, she such a flirty, flirty  
Step into the ring, it's time to get down to the dirty, dirty  
Somehow, she makes the rules she's breakin'  
Shake it, shake it, shiny go-go boots and lots of hiney shaking

She's not a drug, but if she was she'd be better than cocaine  
Tall drink of crazy on the rocks with a little twist of insane  
She likes to go-go, rev it up and go-go  
Double time in the fast lane  
She's not a drug, but if she was she'd be better than cocaine

I see you peeking 'round the corner, I should turn the lights on  
See you peeking 'round that corner, I see you've turned your brights on  
Sneaking 'round the corner, it's where you stash your honey  
What you doing 'round the corner? Now what you gonna get up on?  
Turn key all be it wrong you must admit  
Twist up it once more, then she long gone, lickity split

She's not a drug, but if she was she'd be better than cocaine  
Tall drink of crazy on the rocks with a little twist of insane  
Oh, she likes to go-go, rev it up and go-go  
Double time in the fast lane

She's not a drug, but if she was she'd be better than cocaine

Shake it  
Shake it, baby  
Shake it, shake it, shake it, shake it  
Yeah, yeah, yeah, yeah, yeah

Shake it, shake it, shiny go-go boots and lots of hiney shaking  
Shake it, shake it, shiny go-go boots and lots of hiney shaking

Puh-pow

She's not a drug, but if she was she'd be better than cocaine  
Tall drink of crazy on the rocks with a little twist of insane  
Oh, she likes to go-go, rev it up and go-go  
Double time in the fast lane  
She's not a drug, no  
She's not a drug, no  
But if she was she'd be better than cocaine  
Tall drink of crazy on the rocks with a little twist of insane  
Oh, she likes to go-go, rev it up and go-go  
Double time in the fast lane  
She's not a drug, but if she was she'd be better than cocaine
