

All Mine

Jacob Banks

I've been tryna fight this feeling, baby, and lose it
Cause my body ready for you ain't going away
Bring your body next to mine, give me what I'm missing
Let me swim into your ocean, baby, I'm ready

Baby, won't you give it to me, give it to me?
Would you please?

We can do this, baby, all night
You're my vision, baby, showtime
Keep on going, babe, it's alright
Tell me that it's all mine
We can do this, baby, all night
You're my vision, baby, showtime
Keep on going, babe, it's alright
Tell me that it's all mine
Tell me that it's all mine
Tell me that it's all mine
Tell me that it's all mine
Tell me that it's all mine

I've got everything you need, come on and get it
All I wanna do is love you, baby, I'm with it
We've got all the time we need, no need to rush it
[?] give this speech, I want you in it

Baby, won't you give it to me, give it to me?
Would you please?

We can do this, baby, all night
You're my vision, baby, showtime
Keep on going, babe, it's alright
Tell me that it's all mine
We can do this, baby, all night
You're my vision, baby, showtime
Keep on going, babe, it's alright
Tell me that it's all mine
Tell me that it's all mine
Tell me that it's all mine
Tell me that it's all mine
Tell me that it's all mine

Come to me if I'm lonely
Talk to me, wanna hear you scream
Come to me if I'm lonely
Talk to me, wanna hear you scream

Running all the time, we've got all night
Baby, there's no need to cry
Tell her, I'll tell her we've got all night
Baby, please, no need to cry

Tell me that it's all mine
We can do this, baby, all night
You're my vision, baby, showtime
Keep on going, babe, it's alright
Tell me that it's all mine

We can do this, baby, all night
You're my vision, baby, showtime
Keep on going, babe, it's alright
Tell me that it's all mine
We can do this, baby, all night
You're my vision, baby, showtime
Keep on going, babe, it's alright
Tell me that it's all mine
We can do this, baby, all night
You're my vision, baby, showtime
Keep on going, babe, it's alright
Tell me that it's all mine
