

# Caroline

Jacob Banks

Overboard, goin' under  
Still I'm dancin' with the tide  
Don't say a word, don't say a word  
Don't you join the choir  
We're all out of things to hide

Ooo, ooo, ooo, ooo  
Don't say a word, I won't say a word  
Oh the silence  
Oh it's how we waste our time

Let's run Caroline  
Suffer thoughts of these nights  
At least that's what I heard, go easy  
Pack our bags  
Let's run Caroline  
Let's take the circle life  
While we still have the time, go easy  
Run old Caroline

Close your eyes, ignore the sirens  
Oh it's how we touch the sky  
Don't make a sound, I won't make a sound  
Stay with me a while  
Too much darkness in the life

Ooo, ooo, ooo, ooo  
Don't make a sound, I won't make a sound  
Oh the silence  
You're my only place to hide

Let's run Caroline  
Suffer thoughts of these nights  
At least that's what I heard, go easy  
Pack our bags  
Let's run Caroline  
Let's take the circle life  
Oh, we'll still have the time, go easy  
Run old Caroline  
Let's run Caroline  
Suffer thoughts of these nights  
At least that's what I heard, go easy  
Pack our bags  
Let's run Caroline  
Let's take the circle life  
While we still have the time, go easy  
Run old Caroline

Just pack our bag and run old Caroline
