Jacob Banks

Now what do I do with this love I found?  
What do I put in the hole inside the ground?  
Oh, I'm falling higher  
Flying deeper  
Oh, the love I found

What do I do with the smile trapped in my mouth?  
How do I prove there's a ghost this time around?  
It's like catching fire  
Walking on water  
Oh, the love I found

Say the word and I burn it all  
Play the chord and I'll bleed some more  
We ain't getting younger  
Age's just a number

Oh oh oh

Maybe clouds won't break my fall  
Maybe it will be enough  
Time's getting older  
The light's getting closer  
Oh oh oh

So what do I do with this love I saved for you?  
What do I move to the space I held for two?  
Can you taste the choir?  
Can you feel the whisper?  
Oh, the love I found

Oh, the love I found
