Jacob Banks

If you leave me now, where would that leave me?  
If you wanna stay, I got all my needs  
You know I need you  
And you need me

So baby, baby, won't you let me in?  
I'm knocking on your door so let me in

I just need someone to love  
I just need someone to hold  
I need someone to kiss goodnight  
And to give my heart a home

If the tide came in and washed me out  
I'd hold onto the memories that we did  
And I promise to keep your heart intact, oh, baby  
And love you like I said

So baby, baby, won't you let me in?  
I'm knocking on your door so let me in

I just need someone to love  
I just need someone to hold  
I need someone to kiss goodnight  
And to give my heart a home

I just need someone to love  
I just need someone to hold  
I need someone to kiss goodnight  
And to give my heart a home
