

# Silver lining

Jacob Banks

I'm a wrecking ball at best  
A big house with empty photographs  
You are my only souvenir  
You are my silver lining

I'm that song that no one ever knows  
A big gold chandelier but no one's home  
You're the reason I am never letting go  
You are my silver lining  
You are my silver lining

I'm a train about to crash  
But you take me as I am  
Through it all, I know the sun will rise again  
You are my silver lining

You are magic, my amazing grace  
Full of wonder, please just stay the same  
Stand by me, don't you fade away  
You are my silver lining

I'm a train about to crash  
But you take me as I am  
Through it all, I know the sun will rise again  
You are my silver lining

Don't think about it too hard  
It's true  
Don't think about it too hard  
It's true  
It's gotta be love, baby  
Yes, it's gotta be love  
It's gotta be love, baby  
Yes, it's gotta be love  
It's gotta be love, baby  
Yes, it's gotta be love  
It's gotta be love, baby  
Yes, it's gotta be love  
It's gotta be love, baby  
Yes, it's gotta be love  
It's gotta be love, baby  
It's gotta be love  
It's gotta be love, baby  
Oh, it's gotta be love  
It's gotta be love, baby, yeah  
Oh, it's gotta be love  
You are my silver lining
