

Silver Tongue

Jacob Banks

Well, well, well, well

Preach me my sins
Colour my skin
Silver tongue won't talk a dollar out of me

I'll sink or swim
Or in between
Flashing lights won't shake the rhythm out me, yeah

Tickle me pink
Turn my eyes green
Silver tongue won't take the blues out of me

Brick by brick
Cheek to cheek
Changing tides won't make a sailor outta me

Go tell the king
I am the breeze
Silver tongue won't chase the cool out of me

Bone by bone
Woe by woe
Oh, the rain won't talk the fire out me, yeah

Yeah-yeah
