

All I Need

Jacob Collier

Hi, I love the way that I feel when you put your arms over me
(There must be something I could say to make you stay, baby)
Oh, hi (Hello), I love the way that you get in the groove when you walk with
me
Only me

'Cause every time I think about it, can't stop thinkin' 'bout it
That you are all I need (You are all I need)

Hi, I love thinkin' of all the kisses you could give me if I came around
Mwah
(There must be something I could say to make you stay, baby)
Hi, I love the illumination you bring to all the ordinary things I found
Oh, baby

'Cause every time I think about it, can't stop thinkin' 'bout it
'Cause you are all I need (You are all I need)

So I'll be singing in the starbright
Underneath the moonlight, oh (Oh no)
Oh no (Oh no)
'Cause I love your smile and it makes me feel alright
Alright (Alright)
I will sing it to the sun
You will always be the one for me

(Wanna make you feel the way I do)
Let your love shine down
Let your love shine down (Yeah)
Let your love (Yeah)
Shine for me
Yeah
You will always be the one for me (Yeah)
Mm mm mm, yeah

'Cause every time I think about it, can't stop thinkin' 'bout it
(Can't stop thinkin')
'Cause you are all I need (You are all I need)

So I'll be singing in the starbright
Underneath the moonlight, oh (Oh no)
Oh no (Oh no)
'Cause I love your smile and it makes me feel alright
Alright (Alright)
I will sing it to the sun
You will always be the one for me (For me)

Let your love shine
Let your love shine down

So I'll be singing in the starbright
Underneath the moonlight, oh (Let it shine, baby)
Oh no (Oh no)
'Cause I love your smile
And it makes me feel alright (Let it shine, let it shine, let it shine)
(Alright)
I will sing it to the sun

You will always be the one for me

Let your love shine down

Let your love shine down

Let your love shine down

(Do you really wanna call my name?)

Yeah, I really wanna call your name

Jacob, Mahalia and Ty

We the best alive

(There must be something I could say to make you stay)

What up?

Hello

What up?

What up?

(There must be something I could say to make you stay)

When you leave me

I'm all forlorn

When it's time for you to go

Alone to your home

You got me calling out

(There must be something I could say to make you stay)

When you leave me

I'm all forlorn

When it's time for you to go

Alone to your home

What will I do without you?

You are all I need...
