

# Do You Feel Love

Jacob Collier

Love  
Do you love?  
Do you feel love?  
Do you feel the love?

You don't wanna get too close 'cause I feel dangerous  
You like it  
Your heartbeat is strong now  
Whenever you're with me, I get so mysterious  
You want it (I want)  
There's a tingling in your fingers

You can take off your clothes, I'm so precarious  
I like it  
My heartbeat is strong now (Wiggle, wiggle, wiggle)  
I never really do this but I'm so delirious  
And I like it  
The tingling in my fingers, now

Love you  
Want you  
Got-got-got to get you  
Love you  
Want you  
Got-got-got to get you

You don't wanna say too much but you're spontaneous  
I like it  
My heartbeat is strong now  
Whenever I'm with you, you get so enrapturous  
I want it  
There's a tingling in my fingers

You promised you would never kiss me but it's glorious (Oh oh)  
You like it (I like it)  
Your heartbeat is strong now  
You never really do this but you know I'm dangerous (So dangerous)  
And you can feel it (You know I can feel it)  
That tingling in your fingers

Love you  
Want you  
Got-got-got to get you  
Love you  
Want you  
Got-got-got to get you  
(You know I want you)  
Love you  
Want you  
Got-got-got to get you  
(You know I want you)  
Love you  
Want you  
Got-got-got to get you  
(You know I)  
Love you  
Want you

Got-got-got to get you  
(I want you, I'm coming to getcha)  
Love you  
Want you  
Got-got-got to get you  
(You know I)  
Love you  
Want you  
Got-got-got to get you  
(I want you, I'm coming to getcha)  
Love you  
Want you  
Got-got-got to get you

Love  
Do you love  
Do you feel love  
Do you feel the love  
Do you feel the love  
Love
