

In Too Deep

Jacob Collier

You're mine to keep
You're fast asleep
I'm counting sheep
I'm in too deep
I'm in too deep
You're fast asleep

You been making me feel like I'm lonely, baby
And I don't know what I did wrong
I don't know what
Lately I been driving myself crazy, baby, oh
Girl, you left me all alone
You know that

Did I forget to feel? Everything is falling down
Baby, this old world is nothing without you
I don't know what I can do

I thought it was real
But girl you got me crashing down
Baby I still love you, Lord I know it's true
I don't know what I am to you
Now I'm all alone

Something in me hopes that you still love me, baby
But I know you been moving on, I know that
Thinking like I been feeling this without you, baby
I miss you more than I let on, you know that

When our love was new
I remember holding you
Hoping everything you needed I could do
That I would do it all for you

I wish that it was true
But boy you left me here too long
Thinking I still love you, Lord I know I do
But I'm never coming back to you
Now I'm on my own

Now I'm on my own
On my own
Now I'm all alone
(Counting sheep
I'm in too deep
You're mine to keep
You're fast asleep I'm)
Counting sheep
I'm in too deep
You're mine to keep
You're fast asleep I'm)
Now I'm all alone
(Counting sheep
I'm in too deep
You're mine to keep
You're fast asleep I'm)
Counting sheep

I'm in too deep
You're mine to keep
You're fast asleep I'm)
Now I'm all alone
(Counting sheep
I'm in too deep
You're mine to keep
You're fast asleep I'm)
Counting sheep
I'm in too deep
You're mine to keep
You're fast asleep I'm)
Now I'm all alone
(Counting sheep
I'm in too deep
You're mine to keep
You're fast asleep I'm)
Counting sheep
I'm in too deep
You're mine to keep
You're fast asleep I'm)
