It Don't Matter

Jacob Collier

It don't matter what your papa gon' say
(Gonna love you any old way)
It don't matter 'bout the games you play now
(Gonna love you any old way)
It don't matter what the preacher gon' pray
(Gonna love you any old way)
'Cause when you wake up in the morning, gonna throw it all away

It don't matter if you're here to stay
(Gonna love you any old way)
What the people think about you never gonna stay the same
(Gonna love you any old way)
Well, maybe you're gonna run away
(Gonna love you any old way)
When you wake up in the morning, gonna throw it all away

And it feels like (whoa, whoa, whoa, whoa)
In the morning gonna feel like (whoa, oh, no-whoa-whoa)
Ooh-ooh-ooh, oh-oh-oh it feels like (whoa, whoa, whoa, whoa)
See everybody clap your hands if it feels like (whoa, whoa, whoa-whoa-whoa-oh)

It don't matter if you gone astray
(Gonna love you any old way)
'Cause tomorrow will come it's gonna be okay, yeah
(Gonna love you any old way)
Never even matter if you sleep all day
(Gonna love you any old way)
'Cause when you wake up in the evening, gonna throw it all away

Feels like (ah, ah, ah, ah)
Does anybody here know what I'm talking about, say (whoa, oh, no-whoa-whoa)
Oh, feel like (whoa, whoa, whoa, whoa)
Everybody clap your hands if you feel like (whoa, whoa, whoa-whoa-whoa-oh)

Jay, play

(Play it boy)

Oh yeah
Oh yeah
Oh yes, oh-oh

It feels like (whoa, whoa, whoa, whoa)
And in the morning gonna feel like (whoa, oh, no-whoa-whoa)
Whoa, whoa, whoa, whoa, whoa-oh-oh-oh (whoa, whoa, whoa, whoa)
In the morning gonna feel like (whoa, whoa, whoa-whoa-whoa-oh)

It don't matter what they say
I will be there
Let those voices fade away
I will be there
It don't matter what they say
I will be there
Let those voices fade away
I will be there
It don't matter what they say

I will be there
Let those voices fade away
I will be there
It don't matter what they say
I will be there
Let those voices fade away
I will be there
