

Again

Jacob Latimore

Yeah
Whoa-whoa
Alright
That's right, that's right, that's right
Yeah-yeah

We shouldn't be here
Started as friends
Now we in love
How did we get here?
I thought we agreed to play our roles
Way we moving gon' get us caught up
But we not the type to play by the rules
How 'bout we bet it all on us?
'Cause in the end, baby, how can we lose?

I try to fight it every time you undressing, bae
But in the back of my mind
I swear yo' body make a nigga wanna bless it, baby
You know, I give in when you start misbehaving
I'm tryna slide up like The Temptations
Girl, the kitty cat is too contagious

We say this every time, but here we go again
We did again
Oops, we did it again
We did again
I just can't help myself when it's just us in the room
We shouldn't be doing this, babe
I know we say this every time
But here we go again

Here we go
We should work harder on
Self-control
Not yo' typical
Entanglement
'Cause when we tangled, ain't no letting go

Savage, you da baddest and you know it
Classy but can get ratchet any moment
How 'bout we bet it all on us?
'Cause in the end, baby, how can we lose?

I try to fight it every time you undressing, bae
But in the back of my mind
I swear yo' body make a nigga wanna bless it, baby
You know, I give in when you start misbehaving
I'm tryna slide up like The Temptations
Girl, the kitty cat is too contagious

We say this every time, but here we go again
We did it again
Oops, we did it again
We did it again
I just can't help myself when it's just us in the room
We shouldn't be doing this, babe

I know we say this every time
But here we go again, yeah, yeah
We did it again
Oops, we did it again
We did it again

I just can't help myself when it's just us in the room
We shouldn't be doing this, babe
I know we say this every time
But here we go again
