

# Invest In You

Jacob Latimore

You feeling stressed 'bout your job  
Can't get no time off  
You tired by time we meet (Time we meet)  
But I see you as your own boss  
Yeah, I know that it cost (Yeah)  
And for you, I'll pay that fee

'Cause you more than worth it  
Though life have not been perfect  
I wanna show you a different side of living

Girl, let me invest in you  
Just tell me what you want me to do  
We can build it from the ground up  
And that's all yours  
I'm not looking for nothing

This ain't an ordinary love song  
Where I'm here to admit my wrongs  
Lately, I know you been stressed  
So baby, I'm here to invest into you

We can address all the debt  
Baby, no sweat  
I'm the man that you need  
None of that little boy talk  
I'ma stand tall  
When we start a family

'Cause you more than worth it  
Though life have not been perfect  
I wanna show you a different side of living

Girl, let me invest in you  
Just tell me what you want me to do  
We can build it from the ground up  
And that's all yours  
I'm not looking for nothing  
This ain't an ordinary love song  
Where I'm here to admit my wrongs  
Lately, I know you been stressed  
So baby, I'm here to invest into you

Girl, let me invest in you  
Just tell me what you want me to do  
We can build it from the ground up  
And that's all yours  
I'm not looking for nothing  
I just wanna invest in you

Deposit love into your heart on a daily  
Money ain't nothing, so we can go crazy  
I'ma treat you right, baby, nothing shady  
You gone match my fly just 'cause you my lady  
All your dreams I wanna hear 'em  
'Cause I respect your mind, baby, listen up  
All I ask is that you give yourself a clean slate

And put your trust in me, baby  
Baby

This ain't an ordinary love song  
Where I'm here to admit my wrongs  
Lately, I know you been stressed  
Baby, I'm here to invest into you
