

On Me

Jacob Latimore

World, worldwide
And my music so f**** major

I want the whips and the cash and the fashion (Ooh, yes)
That's satisfaction
You know why they on me
Made that bitch a ten, now they on me
You like the life how it look through your lashes
And I spent cash on your assets
You know why they on me
Made that bitch a ten, now they on me

Stacked up through the winter, I ain't no beginner
TVs and the movies ain't coincidental
I spend all the paper by the incremental
Like the way I kick it, ain't that why you wit' 'em?

Bag for a bag
Swag on they ass
Drop a bag on the pad
Mash on they ass, oh yeah
Baby, I just came up off another risk
So I gotta flood me another wrist
Big shit dripper that's what's up with me
Big moves, ooh, now you stuck with me (Yeah, yeah)
Now they so in love with me, whoa, whoa
They so in love with me
Get you anything, you ain't gotta ask
Cash-out even when you getting mad at me
We ain't take it this far to look back
That's what I'm telling them when they wanna ask me

I want the whips and the cash and the fashion (Ooh, yes)
That's satisfaction
You know why they on me
Made that bitch a ten, now they on me
You like the life how it look through your lashes
And I spent cash on your assets
You know why they on me
Made that bitch a ten, now they on me

Put my money in investments
Properties got me living different
Over here ain't no stressing
God keep raining down blessings

Bag for a bag
Swag on they ass
Drop a bag on the bag
Mash on they ass, oh yeah
Baby, I just came up off another risk
So I gotta flood me another wrist
Big shit dripper that's what's up with me
