

Selfish

Jacob Latimore

I don't want you to wait on me
Got the world on my shoulders and it's weighing on me
I give, they still take from me
The more money I get, the more problems they see

Why you gotta be so
Why you gotta be so selfish
Why you gotta be so
Why you gotta be so

That ain't the way
That ain't the way
That ain't the way love's supposed to go
Don't send a text can you pick up the phone
Talk to me, come to me
I'll share what I did on my own

I had to apologize to my brothers
All this time off how I keep stayin' on
Lost then found myself
Everybody needs some help
You might need something else
But that ain't the way

I don't want you to wait on me
Got the world on my shoulders and it's weighing on me
I give, they still take from me
The more money I get, the more problems that they see

Why you gotta be so
Why you gotta be so selfish
Why you gotta be so
Why you gotta be so

That ain't the way
That ain't the way
That ain't the way love's supposed to go
Don't send a text can you pick up the phone
Talk to me, come to me
I'll share what I did on my own

All I need is good vibration
Need some new sensation
You know how
Can you pray with me
Girl, don't prey on me
Less is more
That's all I need
