

# Heartstrings

Jacob Lee

Keep my heart inside your hands  
Beating, leave it in your grasp  
Keep it, it's yours to understand  
Breaking, slipping through like sand

I've taken my heart out  
'Cause it don't beat the same no more  
I've zipped my mouth shut  
'Cause my words don't mean much at all

I'm gonna lay down  
Until I fade out  
I'll go to sleep now  
Don't lie to yourself, no  
I'm gonna wake up  
And I'll stay up  
And wonder why I'm lying on your pillow

Keep my thoughts inside your hands  
Mould them, they're yours to comprehend

I've taken my lungs out  
'Cause you are the air I breathe  
To find out that her heart  
Beats fine without me

I'm gonna lay down  
Until I fade out  
I'll go to sleep now  
Don't lie to yourself, no  
I'm gonna wake up  
And I'll stay up  
And wonder why I'm lying on your pillow

My body feels cold  
in the night when you're so warm  
When you stole the sheets on the sixteenth  
I remember when you said  
"The night no longer feels as dark"

And my body feels cold  
in the night when you're so warm  
When you couldn't sleep on the twenty-fifth  
I remember when you said  
"The night has never felt so dark"

I'm gonna lay down  
Until I fade out  
I'll go to sleep now  
I'll go to sleep now  
I'm gonna wake up  
And I'll stay up  
And wonder why I'm lying on your pillow

I'm gonna lay down  
Until I fade out  
I'll go to sleep now

Don't lie to yourself, no  
I'm gonna wake up  
And I'll stay up  
And wonder why I'm lying on your pillow

And my body feels cold  
in the night when you're so warm  
When you couldn't sleep on the twenty-fifth  
I remember when you said  
"The night has never felt so dark"
