

Lonely

Jacob Sartorius

If it kills to be lonely, then bury me slowly
When you close both my eyelids, I know you're not cryin'

It's like, settle down, settle down, should've found a middle ground
Could've took another round, would've, but I couldn't
And I didn't wanna let you down
But I did
And now I'm on my bathroom floor, getting wasted

Too low, I'm broke
Don't wanna die alone (Yeah)
No home, no hope
I don't wanna fight
Yeah

If it kills to be lonely, then bury me slowly
When you closed both my eyelids, I know you're not cryin'
Your heart's filled with nothin' from all I can see
If it kills to be lonely, then I guess bein' lonely killed me

(Lonely, bein')
Guess bein' lonely killed me

You were my best friend and now you're turnin' to my enemy
I miss who you were before my texts started turning green
Yeah, got a good face, but you're bringin' me bad news
Bringin' me bad news, bringin' me bad news
You say that life sucks, but I don't think it has to
Don't think it has to, don't think it has to

Oh, too low, I'm broke
Don't wanna die alone (Ohh)
No home, no hope
I don't wanna fight
Yeah

If it kills to be lonely (If it kills to be)
Then bury me slowly (Bury me slowly)
When you close both my eyelids (My eyes)
I know you're not cryin'
If it kills to be lonely (If it kills to be)
Then bury me slowly (Bury me slowly)
When you close both my eyelids
I know you're not cryin'

Your heart's filled with nothin' from what I can see
If it kills to be lonely, then I guess bein' lonely killed me
