

# Lonely

Jacob Sartorius

I really wish I measured up right now  
I really wish I had enough  
I wish I wasn't giving up right now  
I wish somebody called my bluff  
I wish I wasn't in LA  
With a storm cloud over my head  
I really wish I felt alive  
When everybody else wanna be dead

What do I do when it feels like deja vu  
But it's all brand new  
What do I say  
When it feels like I'm in pain  
But it's all okay  
I'm so done with being lonely  
I'm so done with being lonely  
I'm so done with being lonely

Living all in my head, that's normal  
No reply to your texts, that's normal  
All alone, no regrets, that's normal  
That's normal  
I need to get out of my bed and get it  
I could stay asleep but I'd regret it  
Can't complain, count my blessings  
On my way up, baby walking with the legends  
Yeah yeah

What do I do when it feels like deja vu  
But it's all brand new  
What do I say  
When it feels like I'm in pain  
But it's all okay  
I'm so done with being lonely  
I'm so done with being lonely  
I'm so done with being lonely
