

Lover Boy

Jacob Sartorius

Break too many hearts, 'cause I'm a lover boy
I'ma play my part, forget them other boys
Knew it from the start, I shouldn't ever let you close
'Cause you never know what I'm gonna do
Break too many hearts, 'cause I'm a lover boy
I'ma play my part, forget them other boys
Knew it from the start, I shouldn't ever let you close
'Cause you never know what I'm gonna do

Sorry that I didn't have the chance to write you back
I was busy doing things that I am probably gonna forget
Dead smile when they talk to me, I don't hear a thing
Love in the air, might as well suffocate
Bloodshot eyes, I've been trying to stay awake
We're just rolling round the city, I've been losing track of days
My intentions were good as yours
All the things money couldn't afford

So I break too many hearts, 'cause I'm a lover boy
I'ma play my part, forget them other boys
Knew it from the start, I shouldn't ever let you close
'Cause you never know what I'm gonna do

Look, hopeless romantic
When I'm in my dreams I don't understand it
'Cause all I see is you with a guy and he's not me
Killing my mood when I see you on my TV, like
Why I gotta fall in love with you?
When all you ever tried to do is break my heart in two
I know it's not your fault and it's not mine
Guess we fell in love at the wrong time

Break too many hearts, 'cause I'm a lover boy
I'ma play my part, forget them other boys
Knew it from the start, I shouldn't ever let you close
'Cause you never know what I'm gonna do
Break too many hearts, 'cause I'm a lover boy
I'ma play my part, forget them other boys
Knew it from the start, I shouldn't ever let you close
'Cause you never know what I'm gonna do
