

Skateboard

Jacob Sartorius

So much on my mind
Have I lost my mind?
Feeling insane right now
Not enough good love
Not enough real love
Is keeping me up right now
I don't wanna know
I don't wanna know
Know who you with right now
So much on my brain
Why you on my brain?
Think I'll medicate right now

With, Good music and one hell of a hill
310 to 818, yeah
That's how I feel, yeah
Good music and a one hell of a time
Head up in my phones like, yeah

Ayyy, I'm gonna ride this skateboard down the block like
Ayyy, forget my problems when I reach the top like
Ayyy, I'm gonna ride this skateboard down the block like
Oh, sun up until sun down
Trying not to think about you

Yeah, what? What? What?
Yeah, what? What? What?

If you wanna know
If you wanna know
Know where I'm at right now
Flying so damn fast
Flying so damn fast
Past all of this bull right now
I'mma kick, push, down the street, yeah
Kick, flip, on the beat, yeah
Kick, push, down the street, yeah

Hey-hey, yeah, all I want is
Good music and one hell of a hill
310 to 818, yeah
That how I feel, yeah
Good music and one hell of a time
Head up in my phones like, yeah

Ayyy, I'm gonna ride this skateboard down the block like
Ayyy, forget my problems when I reach the top like
Ayyy, I'm gonna ride this skateboard down the block like
Oh, sun up until sun down
Trying not to think about you
