

Temporary Tattoo

Jacob Sartorius

I fucked your friends
But you fucked mine too
I don't like you
Temporary tattoo (yeah)
Leave me alone
What the fuck do I do?
When I don't got you
Temporary tattoo
Should've left you alone

I promise I'm trouble
Always walk through puddles (woah)
High up off some shit
When I say I love you (woah)
Custom license plate
She said she a model (woah)
I don't give a fuck
Mine says marijuana

We break up then fight fight
I'm over that type type type

I fucked your friends
But you fucked mine too
I don't like you
Temporary tattoo (yeah)
Leave me alone
What the fuck do I do?
When I don't got you
Temporary tattoo
Should've left you alone

I fucked your friends
But you fucked mine too
I don't like you
Temporary tattoo (yeah)
Leave me alone
What the fuck do I do?
When I don't got you
Temporary tattoo
Should've left you alone

I was bored as fuck
So I wrote this letter
I just met your double
She was bad as fuck but better
Flip the flip the switch
We got intimate
I'm a piece of shit
She's still into it

We break up then fight fight
I'm over that type type type

I fucked your friends
But you fucked mine too
I don't like you

Temporary tattoo (yeah)
Leave me alone
What the fuck do I do?
When I don't got you
Temporary tattoo
Should've left you alone

I fucked your friends
But you fucked mine too
I don't like you
Temporary tattoo (yeah)
Leave me alone
What the fuck do I do?
When I don't got you
Temporary tattoo
Should've left you alone
